President's Letter -- Camp Sequassen Alumni

Dear Members,

Happy Holidays to you and yours! I hope that this letter finds you all well. Although the snow and cold weather is upon us, the excitement and activity at camp is still going strong. Each weekend units are bringing their scouts up to camp and utilizing the facilities and off-season programs the camp has to offer. The maintenance committee is working hard to improve the camp and make next summer even more enjoyable for the many scouts who call Sequassen their summer home. The signage around camp is continuing to take shape with some of the most impressive signs in a scout camp to identify each area. The Shotgun range is the latest area to receive new signage and a photo is attached at the end of the letter, compliments of Ranger Dave. The family camp project is moving along with the walls and ceilings up in each of the 3 cabins being renovated along with a new coat of stain to the exterior. Photos are also attached to showcase the progress of the renovations.

As you may have noticed, the Alumni now has our own e-mail address ([sequassenalumni@gmail.com](mailto:sequassenalumni@gmail.com)). Moving forward, all official communication will be coming from this e-mail address and if you have any questions or perspective members, please pass on this address to them for further information. As of the beginning of December, we have achieved a membership goal we have had for a few years now, with 100 members. With this many members, as an organization, we are looking to provide some additional opportunities for fellowship and the ability to get together with old friends (or make new ones.) In each quarter of the year, we are looking to have a Happy Hour gathering at various locations around the state, most likely on a Thursday evening where members can socialize and enjoy each other's company, but they will not be formal business meetings. Please stay tuned for more information on when and where the first one will take place. We have also been looking to schedule the Spring Banquet and business meeting. We are looking to hold the event at Costa Azzura in Milford where a number of previous events have been held. We are working to have a date towards the end of April or beginning of May. Again please look for more information to follow when we get confirmation from the restaurant.

The officers and Executive board are working to try and make the organization stronger and more vibrant as we move forward. As always, if there are any suggestions of activities or events that you would like to see the Association run, please to do not hesitate to offer a suggestion and we will examine the possibility.

May the Trails Invite Us Still  
Yours In Sequassen,

David J. Applegate  
Sequassen Alumni Association  
President
